

IEEE SMC Society Taipei Chapter

The IEEE SMC Society Taipei Chapter was founded on Dec. 15, 2003 by the support of SMC Vice Presidents, Prof. Larry Hall and Prof. Tsu-Tian Lee. The Chapter has at least 260 members in Taiwan. Our members have great achievements in academics and industry. The Chapter homepage is granted by the IEEE Taipei Section and will be available in August. Although the Chapter is brand new, it has co-organized or will co-sponsor various activities as follows:

- The 2004 IEEE International Conference on Networking, Sensing and Control, March 21-23, 2004, Taipei. The conference was hosted by IEEE SMC Vice President, Prof. Tsu-Tian Lee. The President of IEEE SMC, Prof. Gruver, also attended the conference and visited Chaotic Systems and Signal Processing Lab National Chiao Tung University and.
- The 2004 Automatic Control Conference, March 26-27, 2004, Taiwan for a keynote speech in the topic of Intelligent Vision-Based Vehicle Control, IVBVC.
- The 2004 Workshop on Consumer Electronics and Signal Processing, Nov. 17-18, 2004, Hsinchu, Taiwan.

The annual jobs of the Chapter are:

1. Recruit new members, in particular, student members;
2. Host industrial oriented seminars and technical talks for the Chapter;

The IEEE SMC Society Taipei Chapter committee of 2004 is as follows:

Chairman : Bing-Fei Wu
Secretary : Chung-Cheng Chiu
Treasurer : Chao-Jung Chen
