

Author' Final Manuscript Checklist

This form must be completed by the author and submitted with the final manuscript of a paper accepted for publication in the *IEEE Transactions on Human-Machine Systems*. All requested items must be provided prior to publication. If these items are not received **promptly**, delay in publishing your paper is a distinct possibility.

1. Title of Paper:
2. Authors' Names:
3. Manuscript File Number:
4. Place a check mark in the parenthesis (or write NA if the item does not apply) to indicate compliance with the items that follow:
 - () 1- One copy of paper is in Microsoft Word or Latex version of the final manuscript. Do not use pdf (.pdf) or postscript (.ps and .eps) formats for source files. A pdf is not sufficient for publication.
2- Two copies of the paper in PDF format, one clean and one highlighted. The highlights in the document are where changes were made in response to Editor's comments. The highlighted file should be designated as a Supporting Document during the file upload.
 - () Manuscript is typed double-spaced or in IEEE format, including the reference section. The manuscript should conform to IEEE Transactions style regarding numbering of sections, writing and numbering of equations, and form of references. The IEEE style manual can be found at http://www.ieee.org/publications_standards/publications/authors/authors_journals.html.
 - () Please include a statement addressing how each of the reviewer's comments was addressed. This file should be designated as a Supporting Document during the file upload.
 - () Brief professional biography and head and shoulder photo of each author enclosed (*not for technical correspondences*).
 - () High quality, camera ready figures and/or tables included. Figure files, illustrations and tables should have a separate section if they are not embedded in the source file and should be listed separately, one per page, with a separate caption page. If you include separate graphics files for illustrations, only TIFF (.tif), Postscript (.ps) and Encapsulated Postscript (.eps) formats are acceptable. Failure to submit a source file may result in publishing delays.
 - () Separate page listing all footnotes except those on the title page.
5. Name, mailing address, phone, FAX, and E-mail of author to be sent galley proofs (please provide professional affiliation if not included in address).
6. Name, mailing address, and phone numbers of remaining authors (please provide professional affiliation if not included in address).

Date and Signature of Corresponding Author
