As a result of his contribution in human advancement, he received a White House medal in 2011 and has been awarded Fellow of XZY Society.

Contributions to the IEEE, SMC Society, and other professional societies:
IEEE:
A member of Conference Promotion and Improvement committee, 2002-2005
A member of Publication Quality Improvement committee, 2005-2007
A member of AdCom in Brain Signal and Image Processing Society, 2004-2006
Vice Chair of Global technical tour promotion committee, 2008-2010
Section Chair, IEEE Southern California Section, 2009-2011

SMC Society:
Technical Committee Chair on Intelligent behavior and navigation, 2011-present
Program Chair, international conference on brain signal processing, 2011
General Chair, international conference on cybernetics in brain computing, 2012
Chapter Chair, SMC XZY Chapter, 2004-2009
Associate Editor of IEEE Trans. on XYZ Systems, 2011-2013

Other professional societies:
Chair of technical committee in brain cognitive image display, ACM, 2007-2010

Candidate Statement

As a member of the BOG I would support the Board in its mission of acting for the good of the Society members... I will improve publication quality by ... I will also improve the conference publication quality by ….
