

Graduate Research Assistant Positions for Spring and Fall 2020 Open at School of Electrical and Computer Engineering, Oklahoma State University, USA.

Description

Research assistant positions are available starting from Spring 2020 and Fall 2020 in the Laboratory for Advanced Sensing, Computation and Control (ASCC Lab, <http://ascc.okstate.edu>) at School of Electrical and Computer Engineering, Oklahoma State University. Highly motivated students who are interested in pursuing a Ph.D degree in one of the following areas will be considered:

- 1) Artificial Intelligence**
- 2) Robotics**
- 3) Natural Language Processing**

Students with previous experiences in the above areas are preferred. One or several of the following skills are highly desirable: (1) good programming capability in Matlab, C or C++, Python; (2) signal processing; (3) strong mathematical background.

If you are interested, please send your **resume, undergraduate and/or graduate transcripts, TOEFL and GRE scores, related publications (if applicable)** to Dr. Weihua Sheng at weihua.sheng@okstate.edu.
