

International Conference on

Burgos, Spain. ICEUTE'20.
24th-26th June 2020
<http://iceuteconference.eu>

The 11th International Conference on European Transnational Education (ICEUTE'20) will be a meeting point for people working on transnational education within Europe. It will provide a stimulating and fruitful forum for presenting and discussing the latest works and advances on transnational education within European countries.

ICEUTE'20 will be held in conjunction with:

CISIS'20 <http://cisisconference.eu>

SOCO'20 <http://sococonference.eu>

Technically Co-Sponsored by:

Startup Olé - <http://startupole.eu>

IEEE Systems, Man, and Cybernetics Society, Spanish Chapter - <http://ieee-smc.es>

IEEE Systems, Man, and Cybernetics Society, Portuguese Chapter

IEEE Systems, Man, and Cybernetics Society, French Chapter -

<https://smc028.hds.utc.fr/>

*** SPECIAL ISSUES ***

All the accepted papers of ICEUTE conference (submitted both to the general track and the special sessions) will be considered for its possible inclusion in a special-issue proposal to the following journals:

* Research Papers in Education (Taylor & Francis). 2018 JCR Impact Factor: 1.109 – Q3

* European Journal of Education (Wiley). 2018 JCR Impact Factor: 0.975 – Q3

More journals could be announced soon.

*** IMPORTANT DATES ***

Paper Submission Deadline: 20th January 2020 (may be extended)

Acceptance notification: 1st April 2020

Submission of revised papers: 8th April 2020
Final version submission: 11th April 2020
Payment Deadline: 11th April 2020
Conference Dates: 24th-26th June 2020

***** SPECIAL SESSIONS *****

The following special sessions have been confirmed up to now:

- SS01 - Transnational STEM education from Kindergarten to University
- SS02 - Hidden Lessons in Practical Exercises
- SS03 - The Role of English in Transnational Education and Teacher Training
- SS04 - Personalization and ICT: a Path to Educational Inclusion
- SS05 - Erasmus +: revisiting the EU exchange programme
- SS06 - Innovation and Research Findings in Engineering Higher Education
- SS07 - Innovation in Computer Science Higher Education

Further information about the special sessions is available at
<http://2020.iceuteconference.eu/special-sessions>

***** PROCEEDINGS *****

ICEUTE'20 proceedings will be published by Springer in a special volume of Advances in Intelligent Systems and Computing, indexed by ISI Proceedings, DBLP and Springerlink, among others. All submissions will be refereed by experts in the field based on originality, significance, quality and clarity. Every submitted paper to ICEUTE'20 will be reviewed by at least two members of the Program Committee.

***** TOPICS *****

The conference topics can be identified by, but are not limited to, the following subjects in the context of european transnational education:

DOMAIN APPLICATIONS AND CASE STUDIES

- Mobility of lecturers and students
- Critical success factors in transnational education
- Interdisciplinary programs for transnational education
- Joint-degrees
- Virtual Labs: examples, architecture and organization
- Virtual universities and classrooms
- e-learning success cases
- Errors in e-learning

INFORMATION TECHNOLOGIES FOR TRANSNATIONAL LEARNING

- Synchronous and asynchronous learning
- Mobile learning (M-learning)
- Web-based learning, wikis and blogs
- Virtual learning environments
- e-learning platforms and tools
- Authoring tools and content development

- Groupware tools
- Intelligent tutoring systems

LEARNING CONTEXT

- Language skills
- Learning organizations
- Collaborative learning
- International partnerships in teaching
- Community building
- Lifelong learning: continuing professional training & development
- Theoretical bases of transnational education environments
- Distance and e-learning in a global context
- Cooperation with industry in teaching
- Context dependent learning
- Accessibility to disabled users

TEACHING AND EVALUATION METHODOLOGIES

- Supervising and managing student projects
- Teaching to multicultural students
- Simulated communities and online mentoring
- Pedagogy enhancement with e-learning
- Educating the educators
- Immersive learning
- Blended learning
- Computer-aided assessment
- Metrics and performance measurement
- Assessment software tools
- e- testing and new test theories

QUALITY ASSESMENT

- Benchmark metrics for broad domain learning
- Standards and interoperability
- Course design and curriculae
- Emerging and best practices
- Managing quality in e-learning
- e-learning tactics and strategies
- Course/program evaluation
- Teacher evaluation
- Quality assurance, recognition, accreditation & certification
- Assessment and accreditation of courses and institutions

PAPER SUBMISSION

All submissions will be refereed by experts in the field based on originality, significance, quality and clarity. Every submitted paper to ICEUTE'20 will be reviewed by at least two members of the Program Committee.

Papers must be prepared according to Springer's templates (MS Word or LaTeX format) for the Advances in Intelligent Systems and Computing volume series (<http://www.springer.com/series/11156>) and must be no more than ten (10) pages long,

including figures and bibliography. Additional pages (over 10 pages) will be charged at 150 Euro each.

The submission system is available at
<https://easychair.org/conferences/?conf=iceute2020>

For further information, please visit <http://2020.iceuteconference.eu/paper-submission-publication/>

*** SOCIAL ACTIVITIES ***

The conference will be held during the local fair (Saint Peter) so there is going to be plenty of social and leisure activities.
