**APPLY BY 15 MAR 2025!**

**SMC WANTS YOU**

**IEEE SMC**  
Systems, Man, and Cybernetics Society

The **IEEE Systems, Man, and Cybernetics (SMC)** Society is inviting applications for the **Membership and Student Activities Committee (MSAC)**, specifically for its Student Activities Subcommittee.

Selected students will serve on the MSAC Student Subcommittee for a one-year term in 2025, with the possibility of renewal for a second year. The mission of the committee includes addressing student-related concerns, promoting communication among student members, and supporting student branch chapters. Current areas of focus are:

- Networking events during the SMC-sponsored events
- Supporting student-led initiatives
- Educational webinars and workshops

- Membership development initiatives
- Managing the committee's website and social media presence
- Contributing to the SMC eNewsletter and the SMC Magazine with updates on student activities

**Benefits:** Student members of the MSAC will gain valuable leadership experience, insights into the Society's operations, and networking opportunities with professionals and researchers. Additionally, selected students will receive priority consideration for travel grants to attend the IEEE SMC conference.

**Eligibility:** Applicants must be undergraduate, graduate, or PhD students and current IEEE SMC (graduate) student members in good standing. Ideal candidates should demonstrate strong communication and organizational skills, enthusiasm for professional development, and a willingness to contribute actively to MSAC initiatives.

**Expectations:** Self-motivated and proactive in contributing to MSAC initiatives. Responsive to emails and online discussions.

If you wish to be considered for this exciting opportunity, we encourage you to submit your application as soon as possible. Applications will start being evaluated on **15 March 2025** and will remain open until all positions are filled. Applying by 15 March will give you the best chance of being considered.
